Be sure you request a withdrawal card in cases of lay-off, going on leave of absence, lengthy medical leave or terminating your employment. This allows your dues to be suspended during the period that you are out of work.

“If this discussion could in any way lead to my being disciplined or terminated, or affect my personal working conditions, I respectfully request that my Union representative, officer, or steward be present at this meeting. **Without representation present, then ...**

I choose not to participate in this discussion.”

ARTICLE 1 UNION RECOGNITION

Section 1. The Employer recognizes the Union as the exclusive collective bargaining representative for all full-time warehouse associates employed by the Employer, located at the Railhead and Meacham facilities located in Fort Worth, Texas, including forklift operators, checkers, janitors, warehouse laborers, inventory, and maintenance associates, excluding all office clerical associates, confidential associates, and guards and supervisors as defined in the Act and the same unit certified by the National Labor Relations Board on October 10, 2008, in case no. 16-RC-10859 with modifications agreed to by the parties.

ARTICLE 2 NO DISCRIMINATION

Section 1. The Employer and the Union agree that neither will discriminate against any associate in any term or condition of employment because of an associate's race, religion, sex, **pregnancy, sexual orientation, gender identity**, disability, age, color, national origin, ancestry, marital status, military status, and any other legally protected class or group. **Additionally, the Employer and the Union will treat all Associates with dignity and respect without regard to their union activity or non-activity.** The parties also agree they will fully comply with all applicable state, federal and local laws addressing the issue of discrimination in the work place.

Section 2. When the masculine gender is used in this agreement, it shall be considered to apply to the feminine gender as well.

ARTICLE 3 NOTIFICATION

Section 1. Associates must furnish the Employer with their address and telephone number immediately upon employment. Thereafter, the associate shall enter any change in their address or telephone number into the Kiosk or via PeopleSoft - Self Service. A failure to furnish such change shall relieve the Employer of any obligation to provide notice to the associate under any recall or other provisions of this Agreement.

Section 2. If the Employer is required to give notice to associates under any provisions of this Agreement, the notice will be given by any verifiable means including, but not limited to, certified, return receipt required mail to the associate's last known address, verified telephone call to the associate at their last known telephone number, or e-mail transmission with return receipt acknowledgement. If the associate fails to respond to the notice or message relayed by the Employer within three (3) **calendar days after return receipt acknowledgement or verifiable phone call/text message.** the Employer's obligation to the employment under this Agreement ceases.

Section 3. Where days are referenced throughout this agreement **they shall** be considered calendar days.

ARTICLE 4 MANAGEMENT RIGHTS

Section 1. The Employer retains all rights and functions, except as provided in this Agreement, which it has by law.

ARTICLE 5 CHECKOFF

Section 1. The Employer agrees to deduct from the pay of all associates covered by this Agreement once each month the initiation fees, dues, and/or assessments of the Local Union, for each associate who individually and voluntarily authorizes the Employer in writing to make such deductions. The Union shall certify to the Employer, in writing each month, a list of its members working for the Employer who have voluntarily signed the wage assignment and authorization, together with an itemized statement of initiation fees, dues and/or assessments to be deducted each month from the pay of such members. For initiation fees and assessments, the Local Union will notify the Employer the number of weeks these deductions are to be taken from the associate. Notification of deductions to be made by the Employer, for the benefit of the Local Union, must be received the first of the month the Employer takes such deductions from the associate's pay. The Employer will provide a remittance to the Local Union by the fifteenth (15th) of the month in which such deductions have been made. With each remittance, the Employer shall submit a report, listing all associates alphabetically with their social security number, **or personal identifier should the Union be able to accept this**, job classification, pay rate and the amount deducted for each associate. For those associates who had no deductions, the Employer will provide a reason why no deduction was made. The Employer agrees members' dues will be deducted from the associates pay on a monthly basis.

The Employer agrees to deduct from the paycheck of all associates covered by this Agreement voluntary contributions to DRIVE. DRIVE shall notify the Employer of the amount designated by each contributing associate that is to be deducted from his paycheck on a weekly basis for all weeks worked. The phrase "weeks worked" excludes any week other than a week in which the associate earned a wage. The Employer shall transmit to DRIVE National Headquarters on a monthly basis, in one (1) check, the total amount deducted along with the name of each associate on whose behalf a deduction is made, the associate's Social Security number **or personal identifier should the union be able to accept this**, and the amount deducted from that associate's paycheck. The International Brotherhood of Teamsters shall reimburse the Employer annually for the Employer's actual cost for the expenses incurred in administering the weekly payroll deduction plan. If a dispute

arises in connection with the application of this Section, and a settlement is not reached between the Human Resources Director of the Employer and the Union, such dispute shall be referred to the grievance procedure.

The Union shall indemnify the Employer and hold it harmless against any and all suits, claims, demands, and liabilities which arise out of or by reason of any action taken or not taken by the Employer for the purpose of complying with any of the provisions of this Section.

Section 2. Upon the hiring of any new associate(s), the Employer shall notify the said associate(s) of, **and make available, the existence of this Agreement. The Employer shall provide the name, address, and telephone number provided by every new hire to the Union within thirty (30) calendar days of hiring.**

ARTICLE 6 "A" GRIEVANCE PROCEDURE

Section 1. Any complaint, disagreement raised by the Union, associate(s) or the Employer covered by this Contract, which concerns the interpretation or application of the terms and provisions of this Agreement, shall be considered a grievance. Any associate of the Union may present a grievance; any grievance which is not presented within ~~five (5) working~~ **ten (10) calendar** days from the event giving rise to such grievance shall be forfeited and waived by the aggrieved party.

Should a grievance arise, as defined herein, it shall be handled as follows:

Step 1. The associate or Job Steward shall present the grievance to the General Manager (or designee) within **ten (10) calendar days of the** aggrieved action. **The grievance shall include a written description** ~~must contain a description~~ of the conduct complained of, the section of the contract allegedly violated and the relief requested. The grievance is then discussed between parties and a written management decision will be made within **ten (10) calendar** days from the time the grievance was presented.

Termination will bypass Step 1 of the procedure.

Step 2. If the decision of the General Manager (or designee) does not settle the grievance to the satisfaction of the associate, or if the General Manager (or designee) does not act within the time specified in Step 1, **the grievance may be advanced to Step 2. The Union and the Company shall jointly schedule at least one (1) monthly meeting for the purpose of discussing open grievances. Meetings shall take place no more than 45 calendar days from the previous month's meeting unless mutually agreed to by the Union and the Company, not to exceed one (1) extension. The Union shall provide the company with a list of all grievances at least (2) working days prior to the grievance monthly meeting. Meetings regarding terminations shall be heard within ten (10) calendar days of the grievance being presented in Section 1 unless mutual agreement to extend.**

Step 3. Any grievance that has been properly carried through the steps of the Grievance Procedure and has not been settled within ten (10) **calendar** days after the Step 2 ~~answer meeting~~, may be appealed in writing to the Texas Cartage Grievance Board or directly to arbitration within an additional ten (10) **calendar** day period, in accordance with the provision of this step. Either the Union or the Company reserves the right to proceed directly to arbitration. When the Company or Union chooses to forego the TCGB and proceed directly to arbitration, they will advise the other party in the Step 3 answer that they are exercising their right to have the grievance heard by an FMCS Arbitrator.

Section 2. Should a grievance not be processed within the time limits provided for in this Article, such grievance shall be treated as waived and abandoned. The parties may mutually agree to extend the time limits provided in Step 2 of the grievance procedure and any such requests will not be unreasonably denied.

Section 3. It is the intent of the parties that most complaints or differences should be resolved in Step 1 of the grievance procedure. Accordingly, grievances that are satisfactorily resolved in Step 1 shall not establish a precedent for future grievances of the same nature.

ARTICLE 6 "B" ARBITRATION

Section 1. It is understood and agreed that a request for arbitration in order to be valid under this Agreement must allege a violation of this Agreement.

Section 2. If within ten (10) **calendar** days, the parties are unable to agree on an arbitrator to hear the matter of arbitration, **the moving party shall** request from the Federal Mediation and Conciliation Service a list of seven (7) neutral arbitrators. The arbitrator will be selected in the following manner, by the alternate striking of names; the person's name that remains is to be the arbitrator.

Section 3. For any grievance which proceeds beyond Step 2 of this Article, the grieving party, the Union and the Employer must submit in writing all known evidence during the grievance procedure and their list of witnesses who will testify at the Arbitration. This includes, but is not limited to, a description of the subject matter giving rise to the grievance, relevant dates and all witnesses, along with the specific contract clause that has allegedly been violated. Failure to comply with this Section will serve as a bar to the introduction of the evidence by the grieving party or the Union at arbitration. Evidence that is disclosed at a later date may be introduced at hearing only if the party discovering the evidence provides the other party written notice of its existence at least ten (10) **calendar** days prior to the arbitration.

Section 4. In rendering a decision, the arbitrator shall be governed and limited by the specific provisions of this Agreement. He shall have no power to add to, subtract from, or modify any of the terms and provisions of this Agreement, and he shall consider

and render a decision concerning only such issues as are directly raised by the written grievance. The decision of the arbitrator shall be final and binding upon the parties hereto and upon the Employer or associates concerned; provided, however, that the arbitrator shall make no award outside the scope of his authority outlined herein, or effecting a change, modification, or addition to this Agreement and shall confine himself strictly to the facts submitted in the hearing, the evidence before him, and the express terms and provisions of this Agreement.

Section 5. The losing party will pay the expenses of the arbitrator. Both parties shall bear its own cost of preparing and presenting their case.

ARTICLE 7 PROBATIONARY PERIOD

Section 1. Each applicant hired as an associate shall serve a probationary period, which shall consist of ninety (90) calendar days. Any days or partial days of absence shall not be counted towards the required ninety (90) calendar days. With the agreement of the parties, the probationary period may be extended for up to an additional thirty (30) calendar days. If an associate is sent home by management that day will be counted as a day worked in the calculation of the probationary period.

Section 2. During the probationary period, the Employer shall have the right to discharge or discipline an associate without assigning cause. This action shall not be subject to the grievance and arbitration provisions of this Agreement.

ARTICLE 8 ASSOCIATE CLASSIFICATIONS

Section 1. Associates, when hired, will be assigned to one of three classifications: regular full-time or regular part-time or temporary.

Section 2. Regular full-time associates are those associates who could be regularly scheduled to work at least forty (40) straight time hours per week.

Section 3. Regular part-time associates are those associates who are not regularly scheduled to work forty (40) straight-time hours per week. Regular part-time associates scheduled for less than thirty (30) hours per week will not be eligible for any fringe benefits unless mandated by law, or unless otherwise provided by the specific terms of this Agreement.

Section 4. Temporary associates are those associates hired on a short-term, seasonal or for customer mandated special projects. The Employer has the right to hire temporary/contract associates as it deems necessary.

Section 5. Regular part-time and then temporary associates will be given first consideration for regular full time employment vacancies.

Section 6. Job Classifications shall include but be limited to:

1. Janitor
2. Maintenance Level **now 1-9**
3. Inventory
4. Lift Truck Operator (LTO)

This includes the right to mandatory overtime as needed throughout the facility from one job classification to another, so long as the employee has been trained in that job classification.

ARTICLE 9 SENIORITY

Section 1. The Employer recognizes the principle of **location** seniority. Each regular full-time associate will be permanently assigned to one (1) of two (2) locations: Meacham or Railhead. Associates may only accrue seniority in the location they are permanently assigned to. If an associate permanently hires into another location, the associate's seniority, for fringe benefit purposes only, will be retained. For all other purposes, the associate's seniority will begin on the date the associate permanently transfers into the new location. Associates are restricted to assignments within their location and may not move between locations.

The Employer recognizes the principle of seniority which shall prevail unless otherwise outlined in this Agreement. Seniority is defined as an associate's most recent period of continuous employment with the Employer in the bargaining unit

Section 2. An associate's seniority shall be lost in the following instances:

- (a) Discharge for just cause.
- (b) Voluntary quit.
- (c) Failure to return to work on the specified date following layoff; or being laid off for a period that is the lesser of twelve (12) months or the length of the associate's seniority with the Employer.
- (d) Failure to perform any work for the Employer, other than a lay off, for a period **that is the lesser of six (6) months or the length of the associate's seniority** for non work related illness or injury or for twelve (12) months for a work related illness or injury, unless an extension is required by applicable law.
- (e) Failure to return to work on the specified date after a leave of absence or vacation.
- (f) An unexcused absence of three (3) consecutive working days without notifying the Employer.
- (g) Acceptance of a non-bargaining union position for more than ninety (90) days.
- (h) Retirement.

Section 3. Associates hired on the same day will have their seniority order determined by last four (4) digits of their social security number, lowest being the most senior.

Section 4. Each October the Employer will mail the Union an

updated Seniority List and post it at the facility. The Union shall have thirty (30) days to review and challenge the list. Part time associates shall not supersede full time associates in seniority.

ARTICLE 10 JOB POSTING

Section 1. When a permanent vacancy exists in a location, in any biddable job classification, or a new job becomes available, the Employer will post the job for seven (7) calendar days. Associates from within that department desiring to bid on the vacancy must sign the posting within the allotted seven (7) calendar days. **If a position requires Associates to meet certain qualifications, those qualifications must be listed on the bid sheet at the time the bid is posted.**

Section 2. When bidding to a different job classification, the Employer will select the successful candidate based on seniority, skill, ability, qualifications and performance. When, in the Employer's judgement, there are two (2) or more associates of relatively equal skill, ability, qualifications and performance, the principle of seniority will govern. If no qualified candidate applies or no bid is received, the job may be filled by the Employer from any other source. The Employer retains the right to determine the qualifications necessary to perform any particular job or the right to hire non-associate applicants if, in the Employer's sole judgement, qualified associates do not sign the job posting.

Section 3. In the event that the successful bidder, from a different job classification, proves unsatisfactory during their trial period, not to exceed thirty (30) calendar days, the associate will be returned to their previous job and shift. The employer will fill the position from the next qualified bidder from the original job posting. If there are no qualified bidders, the job may be filled by the Employer from any other source.

Section 4. An associate **who bids and is awarded a new job classification** must remain in the new job classification for a period of six (6) months before bidding on another job posting in a different job classification.

Section 5. Annually the Employer will allow associates to bid their shift preference. Shift bids and vacations will be posted during the last week of October and first week of November, and awarded as soon as possible thereafter but not later than the second week of January. Shift bids will be awarded by seniority. Associates not bidding will be assigned the remaining vacancies.

Section 6. Temporary/contract vacancies will be filled at the Employer's discretion without the need to post the job.

ARTICLE 11 LAYOFF AND RECALL

Section 1. In the event of a reduction in the workforce the least senior associate shall be displaced by location, by job classification, by shift. Displaced associates will first fill vacant jobs within their location and job classification. If no

vacancy exist, associates may bump within their location to a job classification they previously held or to an equal or lesser paying job classification, provided they possess the necessary job qualifications and skills to perform the job.

Associates laid off from their location may apply for consideration to a different location where a vacancy exists on a first come first serve basis. From among those applying to a different location the Employer will select the successful candidate based on seniority, skill, ability, qualifications and performance. When, in the Employer's judgment, there are two (2) or more associates of relatively equal skill, ability and performance (which includes an associate's attendance, safety and disciplinary record over the previous nine (9) months), the principle of seniority will govern. An associate who is selected will be permanently assigned to the new location **and have their seniority dovetail into the new location for all bidding and fringe benefits.**

Section 2. The Employer has the right to lay off as many associates as they deem necessary for business reasons. In case of layoffs, the associate with the least seniority shall be laid off first, providing remaining associates have the ability to do the available work. The Employer shall give **not less than** seventy-two (72) hours notice to each associate and the Union before laying off.

Temporary, probationary, and then part time associates will be laid off prior to regular associates on the seniority list, unless such associate(s) possess special skills that are deemed necessary and are not possessed by regular associates.

Section 3. In the event of a restoration of the workforce, associates will be recalled to their location in the reverse order in which they were laid off from their location provided they possess the necessary skill and ability to perform the work.

Section 4. Associates have seven (7) calendar days to return to work after being recalled by any verified means outlined in Article 3, Section 2. Associates refusing recall or failing to return on the designated date will be considered as having voluntarily resigned their employment.

Section 5. The Employer may offer voluntary time off (VTO) as needed up to thirty (30) days. VTO will be offered by seniority, by location, by job classification, by shift. Associates accepting VTO will not be compensated for the hours lost. Retained associates must be qualified to perform the remaining work. Associates will be returned in order of seniority to the vacant position. During VTO, to ensure benefit continuation, associates are required to pay their benefit contributions. Should a VTO extension beyond thirty (30) days be necessary, the Employer will notify the Union, **and offer to the most senior associate by location, by job classification, by shift.** If additional VTO volunteers are then required they will be selected by seniority. If enough volunteers are not secured the least senior in classification on the shift will be required to accept.

ARTICLE 12 HOURS OF WORK

Section 1. The workweek, for payroll purposes, will consist of seven (7) consecutive days beginning on Monday at 12:01 a.m. and ending one hundred sixty-eight (168) hours later. The workday for payroll purposes is defined as a period of twenty-four (24) hours commencing with the beginning of each associate's shift.

Section 2. Payday-Timecards: Payday is every other Friday. Associates are responsible for punching the timecard properly and recording the time spent performing the various jobs in the warehouse. If the associate neglects to punch in or out, the associate may be subject to discipline. All associates will punch both in and out regardless of what shift they are on or in which department they work.

Section 3. Nothing contained in the Agreement will be construed as a guarantee of any hours of work in a workweek, day, or year.

Section 4. Associates will be provided a thirty (30) minute paid meal break and no breaks. An additional ten (10) minute break will be granted to associates scheduled to work an additional two (2) hours or more of overtime.

Section 5. Four 10-Hour Day Schedule. Associates assigned to work four (4), ten (10) hour days will receive the following adjustments in contract conditions:

(a) So that associates maintain comparable benefits, holidays will be paid in ten (10) hour increments if the associate would have otherwise worked and eight (8) hour increments if the paid time off falls on a day the associate was not scheduled to work. The Company will have the discretion of implementing either of the following break schedules: (A) associates will be provided with a fifteen (15) minute rest break each half of their scheduled shift and a thirty (30) minute unpaid meal break or (B) associates will be provided with a forty-five (45) minute paid meal period approximately halfway through the shift. An additional ten (10) minute break will be granted to associates scheduled to work an additional two (2) hours or more of overtime. Other benefits such as sick leave, vacation time, jury duty, and funeral leave are hours based.

(b) When the Employer implements a four (4), ten (10) hour day schedule for some positions, such positions will be subject to the bidding procedures of the Agreement. The positions will be assigned to qualified associates based on the inverse order of seniority if there are insufficient qualified volunteers.

Section 6. Where production requirements allow, the normal work schedule for all associates shall include at least two (2) consecutive days off each workweek. There shall be no "split shifts". This means that each associate shall work the hours of their shift continuously except for mealtime.

2. **Overtime will be first offered on a volunteer basis by seniority to associates within the job classification prior to the completion of their shift. If enough volunteers are not secured, then it will be offered to qualified Associates in seniority order from other classifications on the same shift who have signed the volunteer list. If there are still not enough volunteers secured, the least senior associate(s) in the classification and shift will be required to accept the overtime assignment.**

(b) Day off overtime:

1. Overtime will first be offered on a volunteer **basis** by seniority to associates **who signed the volunteer list** and within the job classification **prior to the completion of their shift.**
2. If enough ~~volunteers~~ **associates** are not secured **from the volunteer list, then it will be offered in seniority order to other classifications who have signed the list.**
3. **If there are still not enough associates** secured, the least senior associate(s) **in the classification and shift** will be required to accept the assignment.
4. If there is not enough work and associates are being sent home:
